# Incorporate Chisholm Trail SUD into Georgetown WUG

Agenda Item 6.14

August 16, 2017

# Background and Suggested Action

- In 2014, the Chisholm Trail SUD and City of Georgetown agreed that Georgetown will assume the water system assets of Chisholm Trail SUD
  - PUC unanimously approved the action December 17, 2015
  - Chisholm Trail SUD is no longer a water supply entity and should no longer be considered a Water User Group
- Suggested Action

Request that TWDB add all population and water demand projections for Chisholm Trail SUD to the projections for City of Georgetown and eliminate Chisholm Trail SUD as a Municipal Water User Group in the 2021 Brazos G Regional Water Plan.
