Notes:

¹ Use types are as follows: MUN = Municipal, IND = Industrial, IRR = Irrigation, MIN = Mining, REC = Recreation, OTH = Other.

² A "0" indicates no use was reported, a blank entry indicates no report was submitted.

³ A blank entry for the permitted amount can represent an undivided water right, such as more than one water right owner or one amount of water authorized for several users.

In the case of recreational use, the reservoir is on-channel and no diversion to fill is authorized.

⁴ Water rights known to include only saline water are not included in this table.

⁵ There are 1,017 water rights with permit amounts less than 1,000 acre-feet in the region totaling 102,275 acre-feet of permitted water.

⁶ Data provided by the City of Temple in letter dated 8/17/05.
