

Water Policy Recommendations
Approved February 23, 2005

TOPIC: OTHER ISSUES

ISSUE #1: INTERACTION OF STATE AGENCIES WITH REGIONAL WATER PLANNING GROUPS

BRAZOS G RWPG POLICY RECOMMENDATION:

“The Brazos G Regional Water Planning Group recognizes that all State agencies, when planning and/or permitting significant new regional water projects, needs to be consistent with the current statewide water plan and to become involved with Regional Water Planning Groups with significant new regional water projects and/or permits.”

ISSUE #11: EDUCATION

BRAZOS G RWPG POLICY RECOMMENDATION:

“The Brazos G Regional Water Planning Group believes strongly that water education is important and recommends to the State Legislature creation of a Water Conservation Awareness Program through the Texas Water Development Board, a statewide water conservation awareness campaign, funding for ongoing water education programs through River Authorities and similar programs.”

ISSUE #19: INTER-REGIONAL COOPERATION / INTER-REGIONAL WATER SHARING

BRAZOS G RWPG POLICY RECOMMENDATION:

“The Brazos G Regional Water Planning Group will be proactive in communication and interaction with neighboring Regional Water Planning Groups on water issues of mutual concern. Regional Water Planning Areas are not intended to be barriers to prevent interaction between Regional Water Planning Groups.”
