Re.: Transmittal of final electronic files resulting from Phase 1 studies for the  
2011 Brazos G Regional Water Plan

Dear Mr. Nelson:

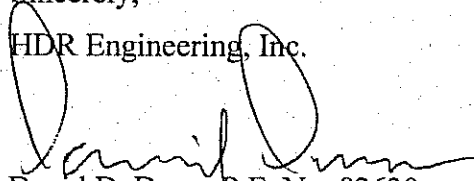

Please find the enclosed DVD containing the electronic project files from the five Phase 1 studies. These files include the report documents in Word and PDF formats, in addition to the pertinent technical data and analyses.

Submission of these files constitutes completion of the work related to the Phase 1 studies. We will be sending an invoice to the Brazos River Authority shortly for the contingency fees withheld on this contract.

We appreciate the opportunity to participate in the regional water planning process and believe that the findings of these five studies will aid the process of developing the 2011 Brazos G Regional Water Plan.

Sincerely,

HDR Engineering, Inc.
