**RE: February 22-23, 2005 Brazos G RWPG Meeting
Summary for Agenda Item 6.7 – Water Management Strategies**

During agenda Item 6.7, HDR will present summaries of several water management strategies for which supplies and costs have been developed. HDR plans to present the following water management strategies:

- Direct reuse for multiple WUGs in the region
- Diversion projects that will utilize the BRA's System Operations Plan
- Utilization of Lake Granger to provide supply to Williamson County entities utilizing the BRA's System Operations Plan
- Aquifer storage and recovery (ASR) projects
 - Trinity Aquifer in Johnson County
 - Seymour Aquifer in Haskell and Knox Counties

The information will be presented for your information. No action is requested at this time.
