

**Group Meeting – 1/25/06**  
**Agenda Item 6.6(a)**

**Water Policy Workgroup**  
**Policy recommendation to the Brazos G RWPG**

**‘Streamline amendments to regional water plans’**

**If local entities can justify through population and projection demands a legitimate water supply project due to changing circumstances, then the Texas Water Development Board should have a more efficient and cost effective process to facilitate an amendment to the plan than what currently exists in the rules.**

**The MOTION CARRIED with no dissenting votes.**
