Briefly describe why you wish to serve on the Brazos G RWPG:
 Clean and clear water is the most vital natural resource our nation has. It must be kept foremost in our communities Strategic Priorities. As the CENTEX area grows the challenges to ensuring this asset will continue to grow. It can no longer be just such and such city it must be a concerted watershed/aquifer effort. We need to be proactive to providing solutions and no longer just react to situations. Our great grandchildren and their great grandchildren will look upon the decisions of the Brazos G RWPG and be gladdened that that group used foresight, innovation, and cohesiveness in their deliberations.

Applicants may have qualifications that fit more than one Interest Category sought. Place an 'X' in the box(s) for each Interest Category that you want to be considered for:

If you marked both boxes, then place an 'X' in one of the boxes to the right of each Interest Category to state your preference.

X	1. Environmental	→	1 st Choice	X	2 nd Choice	→	No Preference
X	2. Small Business	→	1 st Choice		2 nd Choice	X	No Preference

If applicable, describe your qualifications and/or skills that represent the Environmental Interest Category:
 As the owner of a small farmstead in Hill county, a TPWD game warden parent, and the 39th TPWD Hunter Education Wall of fame member, my care and concern for the Wise use of all natural resources has been a life long driving force pertaining to the environment. Our environment is here to be managed and used in a balanced way.

If applicable, describe your qualifications and/or skills that represent the Small Business Interest Category:
 On my farmstead, there is a fire suppression pond built by the Dept. of Interior. Maintaining that pond has been my responsibility. With current wet and past dry seasons that has proven to be an enlightening experience.
