Mr. Dale Spurgin, Chairman
Brazos G Water Planning Group
P.O. Box 7555
Waco, TX 76714-7555

Mr. Spurgin,

I would like to be put on the agenda for the August meeting of the Brazos G Water Planning Group to discuss the possibility of including an alternative dam site for Millers Creek Reservoir in the 2011 Brazos G Plan.

We would like to have the Lake Creek scalping project, which is included in the 2006 Brazos G Plan, remain in the 2011 Plan.

We would like to have HDR authorized to study the alternative dam sites. To that end, I have forwarded to David Dunn a copy of the study from Freese and Nichols on the dam sites originally considered.

Thank you,

David Kuehler
General Manager
