

Brazos G Regional Water Planning Group

WATER POLICY ISSUE #1

10-21-09 Draft

Topic: Other Issues

Issue #1: Interaction of State Agencies with Regional Water Planning Groups

“The Brazos G Regional Water Planning Group recognizes that all State agencies involved in planning and/or permitting regional water projects, need to act consistent with the current statewide water plan and to work cooperatively with Regional Water Planning Groups that are considering significant new regional water projects requiring State agency input and/or permits.”
