

Agenda Item 6.10

Update on Recommended Water Management Strategies for WUGs and WWPs

November 11, 2009

Status

- ✓ Work has begun on developing recommended water supply plans for specific WUGs on a county-by-county basis
- ✓ DRAFT county plans will be uploaded to Brazos G website (www.brazoswater.org) when ready for review
 - May be missing some costs for misc strategies
 - New wells
 - Treatment plant expansions
 - Transmission systems
 - Missing costs will be clearly marked
- ✓ WWP plans will follow the county plans
 - Need final demands for WWPs first
 - May necessitate modification of some WUG plans to avoid over allocation of WWP supplies

Status

- ✓ **Seven counties completed to-date (DRAFT)**
 - **Bell**
 - **Bosque**
 - **Comanche**
 - **Lee**
 - **Milam**
 - **Robertson**
 - **Washington**
- ✓ **More to be posted soon**
