INTERESTS REQUIRED FOR THE REGIONAL WATER PLANNING AREA

The interests listed in the Texas Water Code, § 16.053 (c) are defined as follows:

Public – defined as those persons or entities having no economic interest in the interests represented by paragraphs (2) through (11) of this subsection other than as a normal consumer

Counties – defined as the county governments for the 254 counties in Texas

Municipalities – defined as governments of cities created or organized under the general, home-rule, or special laws of the state

Industries – defined as corporations, partnerships, sole proprietorships, or other legal entities that are formed for the purpose of making a profit and which produce or manufacture goods or services and which are not small businesses

Agricultural Interests – defined as those persons or entities associated with production or processing of plant or animal products

Environmental Interests – defined as those persons or groups advocating the conservation of the state's natural resources, including but not limited to soil, water, air, and living resources

Small Businesses – defined as corporations, partnerships, sole proprietorships, or other legal entities that are formed for the purpose of making a profit, are independently owned and operated, and have fewer than 100 employees or less than \$1 million in gross annual receipts

Electric Generating Utilities – defined as any persons, corporations, cooperative corporations, or any combination thereof, meeting each of the following three criteria: own or operate for compensation equipment or facilities which produce or generate electricity; produce or generate electricity for either wholesale or retail sale to others; and are neither a municipal corporation nor a river authority

River Authorities – defined as any districts or authorities created by the legislature which contain areas within their boundaries of one or more counties and which are governed by boards of directors appointed or designated in whole or part by the governor or board

Water Districts – defined as any districts or authorities, created under authority of either Texas Constitution, Article III, § 52(b)(1) and (2), or Article XVI, § 59 including districts having the authority to regulate the spacing of or production from water wells, but not including river authorities

Water Utilities – defined as any persons, corporations, cooperative corporations, or any combination thereof that provide water supplies for compensation except for municipalities, river authorities, or water districts

Additional Voting Member Interest Category added by Brazos G

Districts – defined as any district or authority created under Section 52, Article III, Section 59, Article XVI, Texas Constitution, that has the authority to regulate the spacing of water wells, the production from water wells, or both
